Crossroads *in* Time

An illustrated history of Syracuse

...is the most ambitious publication in Onondaga Historical Association's 145-year history. This 208-page, large-format, hardcover book features over 225 images, many in color. Most images are drawn from the OHA collection and several have never been published before. This publication presents the engaging story of the city's expansion and development over the past 200 years. Beyond its chronological narrative, the book is filled with sidebars detailing unique locations, characters and events. *Crossroads in Time* is the long-needed general history of Syracuse that will appeal to residents and visitors alike!
